ANNUAL CONVENTION FOR CLINICAL EMBRYOLOGY & ASSISTED REPRODUCTIVE TECHNOLOGY

01ST -02ND MARCH 2025

ORGANIZED BY

CLINICAL EMBRYOLOGY & ASSISTED REPRODUCTIVE
TECHNOLOGY, DBFS, GUJARAT UNIVERSITY

Gujarat University holds the prestigious #1 spot in the NIRF Rankings, affirming its excellence. Additionally, it proudly secures the top position within the Gujarat State Institutional Ranking Framework. The University's commitment to innovation shines through as it secures a place among the top 25 Institutions in India in the Atal Rankings of Institutions on Innovative Achievement (ARIIA) Rankings.

Over its remarkable 75-year journey, Gujarat University has evolved into a premier educational institution in the nation. With a diverse array of disciplines, it caters to approximately two lakh students, epitomizing educational excellence and growth.

DBFS

DEPARTMENT OF BIOCHEMISTRY & FORENSIC SCIENCE

The Department of Biochemistry & Forensic Science at Gujarat University is a multidisciplinary hub offering M.Sc. and Ph.D. programs in Forensic Science, Biochemistry, Toxicology, Pharmaceutical Science, Clinical Embryology & ART, Medical Laboratory Technology, and Cyber Security & Forensics. With a strong focus on teaching, research, and industry readiness, the department has produced over 1,500 M.Sc. and 40+ Ph.D. graduates, many excelling globally in academia, research, and entrepreneurship.

Led by Prof. Himanshu A. Pandya, the department houses experts in modern biology and allied fields. It features state-of-the-art laboratories, enabling advanced research funded by agencies like UGC, DST, and DBT, with projects worth over ₹6 crore. The department also boasts excellent placement opportunities, with regular industry campus interviews, making it a leading academic and research center in India.

ABOUT ACCA 2025

Building on the success of ACCA-2024, we are thrilled to announce the 2nd Annual Convention for Clinical Embryology & Assisted Reproductive Technology (ACCA-2025), to be held on 1st-2nd March 2025. This event will once again provide a premier platform for sharing advancements, fostering collaborations, and inspiring innovation in Clinical Embryology and ART.

Stay tuned for an enriching experience featuring expert talks, scientific sessions, panel discussions, and networking opportunities. We eagerly look forward to welcoming you to this impactful convention!

TARGET AUDIENCE

- Student, Research scholars, young scientists, and clinicians starting their careers in pharmacology, toxicology, and infertility management.
- Practicing professionals and faculty from academic institutions.
- Public health professionals, policymakers, and influencers.
- Master's students specializing in Clinical Embryology and related fields.

CALL FOR PAPERS

We are delighted to invite research papers from M.Sc./M.Tech. students, research scholars, academicians, and industrial experts from across India to participate in the Annual Convention for Clinical Embryology & Assisted Reproductive Technology (ACCA-2025).

This premier forum aims to showcase new advancements and research outcomes in the field of Clinical Embryology & ART. All research submissions must be original and will undergo a peer-review process. Selected manuscripts will be published in University Journals.
