

National Seminar on DESIGN & DEVELOPMENT *of* DIGITAL CONTENT

16-17 March 2023

BENEFIT TO ACADEMICIANS/DEVELOPERS THROUGH MOOCs

- 1** Academicians can upgrade/upskill themselves with recent developments through the MOOC courses.
- 2** SWAYAM provides courses for Academicians for their professional development.
- 3** SWAYAM provides opportunity to both young and experienced academicians as well as professionals develop MOOC courses in the capacity of Coordinator/Principal Investigator
- 4** There is enough scope for Academicians/ Developers to provide their expertise through the journey of MOOC development as a Subject Expert/ Script Writer/ Researcher etc. and earn credit points which help them in Career Advancement Schemes (CAS).
