

techkaushalya2k23

Department of Computer Science, Gujarat University had organized a yearly event known as Tech Kaushalya on 20th and 21st of March, 2023. Tech Kaushalya helped so many students to build self confidence and strong logical abilities. The participant got enhanced knowledge on field.

The event had various Technical, Non-technical and E-sports event. In the technical events Blind Coding, Web-O-Mania, Query Relay and Quiz Combat were the main attraction of participants. Gully Cricket, Tug of war, Beg Borrow Steal, Badminton and Football were the games included in Non-Tech events. Youth loved to participate in famous e-sports games like Valorant, Mini Militia, Call of Duty, 8 ball pool, Rocket league and Freefire. It had a special game zone named as Fun Zone.

The Inauguration ceremony had Mr.Jitesh Dadlani of Ishitva as the Chief Guest. The students had performed a skit on the topic of “Importance of self confidence to be in technical stream” and performed dance performance before the audience. In the Felicitation ceremony Ms.Gyatri Thakkar of Inferenz was invited as the Chief Guest. The guests shared their Success Story from Zero to Hero as a technical student.

The winners of different events were given certificate and prizes. The **#techkaushalya2k23** had footfall of around 1000 people.
