THE ORGANIZERS

GUJARAT UNIVERSITY

The Gujarat University was conceived in the nineteen twenties in the minds of public-spirited and learned men like Gandhiji, Sardar Patel, Acharya Anandshankar B. Dhruva, Dada Saheb Mavlankar, Kasturbhai Lalbhai and many others.

However, the University could come into existence only after the achievement of independence. In 1949, the University was incorporated under the Gujarat University Act of the State Government 'as a teaching and affiliating University.' This was done as a measure of decentralization and reorganization of University education in the then Province of Bombay.

Gujarat University is the largest university in the state catering to the needs of higher education of more than two lakh students scattered over 235 colleges, 15 recognised institutions and 24 approved institutions.

GOAL OF THE SYMPOSIA

- To share the research findings from experts as well as budding scientists and clinicians.
- To ignite scientific temperament in the minds of students through scientific discussions.
- Help establish long lasting scientific collaborations between individual scientists and between institutions.
- To stimulate young researchers and clinicians to identify problems through research & Collaboration

TARGET AUDIENCE

- Research Scholars, Young scientist and clinicians
- Professionals in Practice, Faculties
- Public health professionals, policy makers & influencers
- Biotechnology and pharmaceutical industry professionals
- Masters students in the field of Toxicology, Pharmaceutical Science and Clinical Embryology

RESEARCH PAPER PRESENTATION

We invite research papers from M.Sc. Students, Research scholars, Academicians, and Industrial Experts from different regions of INDIA to participate in the conference. This is a premier forum for presenting new advances and research results in Clinical Embryology, Cell & Molecular Biology, and Toxicological & Pharmaceutical Sciences. The research papers must be original. All submitted abstracts will be scrutinized under peer review and selected manuscripts will be published as Proceedings.

Mode of Presentation: -

Poster Presentation For PG students: 24' X 36' (W X H) C

Oral Presentation for PhD students and Young Faculty

THEMES

REGISTRATION

Fee Structure *

1	Students	Rs.750/-
2	Clinical/Medical Professional Delegates	Rs.1500/-

SCAN TO REGISTER

LAST DATE OF REGISTRATION 15-2-2023

National Symposium Committee

Patron

Prof (Dr.) Himanshu A.Pandya

Vice Chancellor,
Gujarat University

Co-Patron

Dr. P.M.Patel

Registrar,
Gujarat University

Convener

Prof. Rakesh M.Rawal

Professor & Coordinator
Department of Biochemistry &
Forensic Science, Gujarat University

Co-Conveners

Dr. Rushikesh Joshi

Assistant Professor
DBFS, Gujarat University

Dr. Kapil Kumar

Associate Professor, DBFS ,
Gujarat University

Dr. Ankita Patel

Assistant Professor DBFS,
Gujarat University

Organizing Secretaries

Dr. Alay Mehta

Dr. Vishal Nanavaty
