

Celebration of Gujarat university foundation day

University celebrated its 71st foundation day on 23rd November 2019.

On this occasion, a rangoli competition was organized in all departments of the university. Department of Computer science also enthusiastically took participation in the same. Rangoli was made by the students of various courses from the department of computer science. Total 5 teams had participated in the completion. 2 teams from MCA-1, 1 team from Msc-3, 1 team from Msc-1 and 1 team from M.Tech-1 had participated. The theme was "the University Tower". The figures of rangoli were giving three dimensional look.

M.Sc - I

M.Sc – III

MCA - 1

MCA - I

Dr. Himanshu Pandya, the vice chancellor of Gujarat University paid a visit and all the rangolis were highly appreciated by him and his team.

The rangoli competition was then followed by the felicitation of Rollwala Alumni Entrepreneurs. Total 6 alumni were felicitated. They shared very valuable thoughts. Around 50 students attended the felicitation ceremony. They emphasized on the importance of conceptual clarity. They said that “whatever you do should be perfect. Even though it may be little. Don’t hurry in learning at the cost of perfection”.

The alumni that visited the department were

1. **Indrajeet Mitra** :- He is the Founder & Board Member of Gateway Group of companies, CEO AutoDAP & CEO Gateway SecureLabs. He laid the foundation of frameworks on which Gateway Group has carved a niche as the preferred technology partner to global customers. During the inception years of his career, Indrajeet managed large-scale projects at Veritas Inc. Frontier Software Pvt. Ltd. specializing in Communication S/W, Networking Monitoring Probes, Protocol Stacks, etc.
