§1

The both parties shall cooperate in the field of scientific research and teaching.

§2

1. The both parties declare their readiness to cooperate in the following areas:
 - 1) conducting joint research consistent with the objectives pursued by both parties,
 - 2) conducting joint research projects,
 - 3) organization of joint scientific meetings and scientific consultations,
 - 4) exchange of students and teaching staff.
 - 5) establishing the program of internship (students exchange).
2. Terms and conditions referred to in paragraph 1 shall be determined separately each time by mutual consultations and arrangements of the parties.

§3

1. The agreement does not bear any financial liabilities of either party. The method of financing projects implemented under this agreement shall be determined in each case by negotiation and shall depend on available funds.
2. In order to implement the agreement, the parties can use the financial resources at each party disposal, and other resources according to each country's regulations.

§4

1. The both parties undertake to respect the principles of full confidentiality of the transmitted information and materials.
2. Employment of the joint research results shall be subjected to the rules existing
