

## RULES

1. The Seniority of the employees in any particular cadre shall be considered on the length of service put in by them in that cadre.
2. In case, two or more employees in a particular cadre have joined on the same date, the person joining before noon shall be considered senior to the person joining in the afternoon.
3. If two or more persons joining in the same cadre on the same date and at the same time (i.e, forenoon or afternoon, as the case may be) the seniority shall notwithstanding what is stated in clause No. 1, be considered on the basis of the total length of continuous service put in by such employees in the University, and if the total length of continuous service of such employees in the University is equal, the seniority shall be considered on the educational qualifications (including the class obtained by them) which they possess on the date of joining.
4. If two persons join on the same date and time with identical educational qualifications and are also given promotion and join on the post to which they are promoted on the same date and at the same time (e.g., before or afternoon as the case may be), the older person shall be considered senior.
5. The seniority of employees working in the same cadre at various sections and departments of the University will be considered cumulatively.
