***Documents required for visa applications are subject to change, so be sure to check for the latest information by checking with and contacting Japanese embassy/consulate in respective country before visiting there and submitting documents.

+++Important+++

We do not allow exchange students to do any other activities such as sightseeing in Japan before and after the period of study at OIDA I on the student visa. If you want to stay longer in Japan before or after the exchange period, then please consult to the Embassy/Consulate of Japan nearby on the visa arrangement.

Step2. Prepare for travel to Japan

Flight ticket & Travel Insurance

Once your visa is granted, you will need to

- Purchase the flight ticket arriving in Osaka (KIX) Japan. (The date will be decided and announced by OIDA later.)
- Purchase travel insurance. (Optional, but recommended.)

After you secure above, report the flight (and insurance) information to OIDA by the end of August.

Step3. Two Weeks before Your Departure

Visit Japan Web

<https://vjw-lp.digital.go.jp/ja/>

Japanese/English/Chinese/Korean available

- Registering in advance here can help streamline the immigration process. It's not mandatory, but we highly recommend it.

Permission to Engage in Activity

This form is needed to participate in on/off-campus jobs and get paid. Prepare the application named "Permission to Engage in Activity", and send the copy to OIDA via email. The original must be submitted to the immigration office upon entry into Japan (DO NOT pack in checked baggage on airplanes).
