To,

All my Well Wishers

Dear all,

I had taken charge as Vice Chancellor of Gujarat University on 21<sup>st</sup> Feb, 2014 and my term of 3 years completes today and it is my happiest and the saddest day today. Happiest cause I have been able to complete some of the works which was near to my heart with the help and full support of all of you. And saddest cause there are still lots of work which remains to be completed. However, I have full confidence in all of you that you will carry on the work initiated by me.

In this short period of time I have tried my level best to implement a complete transparent system of Administration where in the initial stages itself I started with the online Admission Process across all the courses. With the support of all the entire admission process was successfully implemented online. A major breakthrough was the Samras in Election of Gujarat University, which in itself was a big achievement, which wouldn't have been possible without all your support.

I am leaving in your able hands the many initiatives which are yet to be completed and it is my firm believe that all of you will extend your cooperation in completing these initiatives as well as in the progress of University. Once again thanking you all, I take my leave from this University.

Dr. M. N. Patel  
Vice Chancellor
