(Preference filling/Rearrange of your choices locked at the time of registration)

As per choices, those who have selected college/program/courses of Gujarat University, must log-in with your credential and select GU preference portal and rearrange choices of your preferences of admission based on your merit and category on a prescribed date/period. (Those who are not rearranging choices as per their preferences, their choices will be considered as per data provided by GCAS portal for admission allotment)

Download Admission offer letter (only one) wherever student want to take the admission

Student can view the Admission Offer Letter(s) among the respective Course(Program) in which he/she has applied and he/she can download only one admission offer letter wherever he/she can take the admission and has to go for reporting at respective college with their original documents as per schedule only. If he/she fails to do so in timeline, admission will be liable to cancel at that particular round.

Student has to report respective college with original documents

Student has to approach the college with his/her **all original marksheets, category certificates (if any) and other original documents** as well as copies and **Admission Offer Letter** of offered college and **Registered mobile of the student.**

Students coming from school located out of Gujarat state are mandatorily required to obtain Provisional Eligibility Certificate (PEC) from the Gujarat University through following link before registration:

<https://fees.gujaratuniversity.ac.in>

(Document Verification)

The college will verify all original documents and marksheets of the student. If all documents and mark-sheets match and found correct with filled details and merit rank than proceed for the admission.

(If the marks in the original marksheet of student differs from the marks of Admission Offer Letter or any other discrepancy about category certificate of candidate, the college will refuse the student to give admission. (These students can rectify/correct merit-marks or category after completion of 2nd round or whenever GCAS Portal announce))

Pay the Fees and Secure Admission

After verification, college will enter the ID of the student through college login and then GCAS will send OTP to the registered mobile of the student. Then student has to pay entire fees at the college and secure the admission. The OTP received by the student will be given by the college at GCAS Portal.

- (1) After having secured admission through above mentioned process by the student, his/her admission rights at other colleges and Universities will automatically come to an end.
- (2) If any student is not offered admission in any college/university in which he/she wants to take admission he/she may wait till the publication of next round.
- (3) If any student is offered admission in any college / university in which he / she applied, the candidate will not be offered admission in next round.
