From the Desk of the Vice Chancellor

Namaskar and Season's Greetings!

Many congratulations to you on your excellent academic journey so far. You are warmly welcome to the Gujarat University family. Since its inception in 1949 and banking on our glorious alumni tradition, the University strives to excel in various disciplines like Humanities, Management, Law, Education, Sciences, Medical and Paramedical.

This e-booklet details various courses following the UGC and Government of Gujarat guidelines. The credit system for each subject is the core component of the education system at Gujarat University. This will be especially beneficial for those who wish to pursue higher studies at the institutes and universities of national and international repute. These programs include wide range of core, compulsory, core electives, subject electives and soft skill and foundation courses.

The motto of Gujarat University is Education-Innovation-Skill with Culture. The Gujarat University also provides a progressive platform to young entrepreneurs /researchers /scholars /faculties. The University has a strong and innovative initiative like Gujarat University Startup and Entrepreneurship Council (GUSEC), Gujarat University Consultancy Cell (GUCC) and an upcoming APJ Abdul Kalam Centre for Extension, Research and Innovation (CERI), Research Park (RP), DST- Technology Business Incubator (TBI), Atal Incubation Centre (AIC). The affiliated colleges of this University also provide various opportunities and a platform to the students to blossom in curricular and extra-curricular activities like cultural, social, sports, NSS and NCC, etc. We encourage and strive for all round development of the students for a better culture – individual and nation.

Let me put some light on a few key and remarkable achievements of the University during the last year. GU became the first university in India to sign a cooperation agreement with the Indian Army to collaborate on innovation, training of soldiers and solving challenges faced by the Indian army. GU also signed MoU with Canada's Launch Academy during the Vibrant Gujarat Start-up Summit. During the year, GU also undertook a program named her START to boost women-led start-ups and women entrepreneurship, paving way for more than 35 women-led start-ups emerging from the program.

These initiatives are only a few out of dozens that the University has taken in the last year, and your joining in this historical and the largest University of the state will also make you a part of this family and your contribution will be a part of such ground breaking innovations.

Gujarat University has a strong and inspiring legacy. You all are welcome once again to be a part of the unique combination of tradition & modern innovation to make India more vibrant.
