Gujarat University invites interested vendors to submit their quotations for the following outsourcing and third-party services required for the **Vidya Journal** and **Vidyavrut Newsletter** for the academic year 2026-2027. These services are essential to maintaining the quality, accessibility, and academic impact of these publications.

Scope of Work:

The following services are required for the publication and enhancement of the **Vidya Journal** and **Vidyavrut Newsletter**:

1. Outsourcing Design Services

- Professional layout and formatting for the **Vidya Journal** and **Vidyavrut Newsletter**.
- Article formatting and upload services, including the submission process for publication.

2. Domain, SSL Certificate, and Hosting Services

- Renewal of domain, SSL certificate, and hosting services to ensure a secure and reliable online presence.

3. DOI Membership Fees

- Membership for Digital Object Identifier (DOI) registration to provide unique identification for each article published.

4. DOI Charges

- Charges for each DOI assigned to articles published in the **Vidya Journal**.

5. Indexing Services

- Services aimed at improving the discoverability and citation potential of the articles published.

Submission Guidelines:

Interested vendors are invited to submit detailed quotations for the services listed above. Please ensure that your quotation includes:

- A detailed breakdown of costs for each service.
- Expected delivery timelines.
- Service level agreements (SLAs), if applicable.
- Any additional terms and conditions.

Deadline for Submission:

We kindly request interested parties to submit their quotations in sealed envelopes to the Chief Editor at the Department of Microbiology and Biotechnology, Gujarat University, Ahmedabad - 380009. The deadline for receiving quotation is **23 December 2025**.
