A Dual Vision for India: Swachh Bharat and Swadeshi

Bharat today stands at the cusp of a transformative journey, powered by the vigor and determination of its youth and steadily moving toward new horizons of promise and progress. The dreams of a billion people are taking shape through the dedication of students, innovators, farmers, entrepreneurs, and citizens alike. This energy, if channelized in the right direction, has the potential to transform India into a global leader that is self-reliant, inclusive, and sustainable.

The twin ideals of Swachh Bharat (Clean India) and Swadeshi (self-reliance and promoting locally made products) together represent a dual vision for national development—one that harmoniously blends cleanliness with economic self-sufficiency. These ideals, currently championed through initiatives like Aatmanirbhar Bharat and Vocal for Local, form the bedrock of a sustainable and self-confident nation.

At the heart of this vision lies the understanding that cleanliness and economic independence are inseparable. A clean environment, nurtured through Swachh Bharat, ensures a healthier and more productive population. In turn, a robust domestic economy, fueled by Swadeshi principles, generates the resources and innovations needed to sustain that very cleanliness—be it through local waste management solutions, eco-friendly industries, or community-driven enterprises.

This integrated approach offers a clear path toward building a Viksit Bharat (Developed India)—a nation that is not only economically strong but also clean, healthy, and guided by a deep sense of national pride.

Most importantly, this vision calls upon every citizen—especially students and young professionals—to translate these national missions into personal actions: choosing indigenous products, supporting sustainable practices, and embracing cleanliness in daily life. By doing so, each individual contributes directly to the collective dream of a prosperous, self-reliant, and dignified India.

Climate Crisis and Reforms

In recent news from August and September 2025, both Uttarakhand and Punjab have experienced severe weather events, with Uttarakhand suffering from cloudbursts and flash floods, and Punjab dealing with widespread riverine floods. The Uttarakhand cloudburst in Dehradun led to fatalities, property damage, and stranded individuals, while the Punjab floods resulted in significant loss of life, widespread displacement, damaged infrastructure, and substantial crop damage.

The climate crisis is one of the most urgent and complex challenges of our time. Human beings are sensitive to environmental drivers such as rising temperatures and altered precipitation patterns, with far-reaching consequences for the health of crops, livestock, and human populations. Climate change can also disrupt biogeochemical cycles, thereby altering feedbacks that influence Earth system processes. Realizing this coordinated action and shared goals across societies, stakeholders, sectors, and borders is required.

It is time to invest in more effective communication strategies to combat this problem prioritize storytelling, advocacy, and media engagement. By partnering with professional communicators, developing accessible and engaging content, and launching global outreach campaigns, community can help climate conversation. Real-world demonstration projects would be of great help and candeliver measurable ecological and economic outcomes, foster local engagement and trust, and attract interest from funders, policymakers, and industry leaders.

The climate crisis demands a united response. The priorities are clear. Now, we must turn the shared vision into sustained action. Forming the coalition, securing visibility in climate policy, and demonstrating solutions in the real world will require persistence, coordination, and leadership. The time to come together is now.

संदेश

गुजरात विश्वविद्यालय द्वारा अपनी 75 वर्षों की प्रेरणादायक यात्रा के अवसर पर 'पास पर्व' एवं 'पुनर्निर्मित कन्वेंशन सेंटर' का उद्घाटन तथा विश्वविद्यालय के पूर्व छात्रों के द्वारा 'अपने अपने राम' कार्यक्रम का आयोजन अत्यंत सराहनीय है।

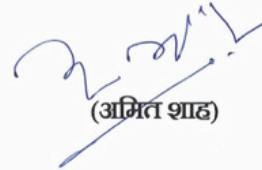

गुजरात विश्वविद्यालय एक ऐसा शिक्षण संस्थान है जो अपने विचार, अपने ज्ञान, संस्कार और नवाचार की त्रिवेणी से राष्ट्र के भविष्य को आकार दे रहा है। सात दशकों से अधिक समय से विश्वविद्यालय ने प्रतिभाशाली शिक्षा, प्रशासन, विज्ञान, कला, संस्कृति और सामाजिक सेवा के क्षेत्रों में देश और समाज का गौरव बढ़ाया है।

पास पर्व के अवसर पर आयोजित 'अपने अपने राम' कार्यक्रम के माध्यम से सांस्कृतिक संवेदना, भारतीय मानस की उस गहवाई को भी प्रकट करता है जिसमें श्रीराम एक ऐसे धर्मिक प्रतीक हैं, जो मर्यादा, करुणा, न्याय और समरसता के आदर्श हैं।

माननीय प्रधानमंत्री श्री नरेंद्र मोदी जी ने गुजरात के मुख्यमंत्री के रूप में कार्य करते हुए शिक्षा, शोध और नवाचार को सामाजिक परिवर्तन का माध्यम माना। उनकी नीति और नेतृत्व में शिक्षा केवल डिग्री तक सीमित न होकर आत्मनिर्भर भारत की आधारशिला रही है। आज भी राष्ट्रीय शिक्षा नीति के माध्यम से वह युवा भारत को वैश्विक नेतृत्व के लिए तैयार कर रहे हैं।

आज जब हम मोदी जी के नेतृत्व में भारत को एक विकसित राष्ट्र के रूप में देखने का संकल्प लेकर आगे बढ़ रहे हैं, तब हमारे विश्वविद्यालयों की भूमिका और अधिक महत्वपूर्ण हो जाती है। गुजरात विश्वविद्यालय जैसे संस्थान इस परिवर्तन के वाहक हैं, जहाँ परंपरा और प्रगति एक साथ चलते हैं।

मुझे विश्वास है कि यह गौरवशाली अवसर, नई प्रेरणा, नई ऊर्जा और नए संकल्पों का स्रोत बनेगा। मैं, इस अवसर पर विश्वविद्यालय के सभी विद्यार्थियों, शिक्षकों और पूर्व छात्रों को अपनी शुभकामनाएँ प्रेषित करता हूँ।

Shri Rushikesh Patel attended and addressed the seminar on **"Nationalist Globalization of Swadeshi Economy"** organized by Gujarat University, where he guided the students on the importance of self-reliance.

Self-reliance is a vital step towards building a developed nation. Accepting the call of Hon'ble Prime Minister Shri Narendra Modi to adopt and promote ***Swadeshi*** products, the aim is to reduce import dependency by using goods made in India, by our own people.

To place the Indian economy among the world's leading economies, citizens are committed to strengthening the nation's economic system through the adoption of indigenous products.

The Shizuoka Prefecture, Japan, organized a special event at the Senate Hall, Gujarat University, under the MoU signed between the two institutions in December 2024. The event drew an overwhelming response, with over 700 students attending in person and more than 800 registering online, reflecting the strong interest in international career opportunities. The session was graced by the presence of Dr. Neerja Gupta, Hon'ble Vice Chancellor, Gujarat University; Prof. Piyush M. Patel, Hon'ble Registrar, Gujarat University; senior representatives from the Shizuoka Prefecture, including Mr. Akihiro Matsumura, Ms. Miho Murakawa, and Ms. Chiaki Watanabe; along with distinguished faculty and officials from Gujarat University.

The Prefecture has announced that the Japanese companies in Shizuoka would be recruiting skilled and competent students from Gujarat University and has already invited applications for the same. The event provided them with valuable insights into Japan's work culture and job opportunities, industries and roles open to international talent, language and skill-building requirements, and career support systems for global aspirants. The initiative opened new avenues for students aspiring for global exposure, high-growth careers, and intercultural experiences.

PROMOTING GLOBAL PARTNERSHIPS

GUJARAT UNIVERSITY AND UHAS GHANA

Gujarat University had the honor of hosting Prof. Lydia Aziato, Vice Chancellor of the University of Health and Allied Sciences (UHAS), Ghana, during her visit to the campus. During her interaction, Prof. Aziato engaged in meaningful exchanges with students from Ghana studying at Gujarat University. The session provided an inspiring platform for dialogue, where students shared their academic experiences and aspirations, while Prof. Aziato encouraged them to embrace opportunities for learning and growth. Her visit added a significant dimension to the university's global outreach, strengthening Gujarat University's commitment to promote international academic collaboration and supporting its vibrant community of international students.

Global Partnerships

Gujarat University's School of International Studies and Diaspora congratulate Ms Hetvi Pravinbhai Ghadushiya, for successful completion of the Shizuoka Business Internship Program 2025 under MoU between Gujarat University and Shizuoka Prefectural government Japan. Ms. Ghadushiya undertook her internship at Suzuki Motor Corporation, Hamamatsu City, Shizuoka, Japan, from July 4, 2025 to August 22, 2025. During this period, she gained first-hand exposure to international business practices and advanced corporate operations, enriching her academic learning with practical industry insights.

ORGANIZED BY THE DEPARTMENT OF CHEMISTRY

INVESTMENT AWARENESS PROGRAM

The Department of Chemistry, Gujarat University, organized an Investment Awareness Program for Semester-III and Semester-I students, conducted by Ms. Amita Patel, SEBI-empanelled Securities Market Trainer. The sessions were held on 25th July 2025 and 1st August 2025, with active participation from over 100 students. Ms. Patel shared valuable insights on financial literacy, investment planning, the stock market, mutual funds, and strategies to avoid financial fraud.

The program also included an engaging Q&A session where students clarified their doubts about investment opportunities, risk management, and financial planning. The initiative successfully blended academic learning with practical life skills, empowering students to make informed financial decisions for their future.

HIGHLIGHTS OF ACADEMIC, CULTURAL, AND AWARENESS PROGRAMS *ORGANIZED BY THE DEPARTMENT OF CHEMISTRY*

ANTI-RAGGING AWARENESS PROGRAM

The Department of Chemistry, Gujarat University, organized an Anti-Ragging Awareness Program on 18th August 2025 at the PDU Auditorium as part of the Anti-Ragging Week celebrations (12th–18th August 2025). The event saw enthusiastic participation from around 250 M.Sc. Semester-I and Semester-III students along with faculty members. The sessions highlighted the harmful effects of ragging, UGC regulations (2022) against it, and the importance of fostering a respectful and inclusive campus environment.

To strengthen the message, short films on real-life experiences and preventive measures were screened, followed by a pledge by all participants to create a ragging-free campus. Students also took part in a creative “Anti-Ragging Selfie Activity” at the department’s selfie corner, making the program both impactful and engaging.

GANESH CHATURTHI CELEBRATIONS

The Department of Chemistry, Gujarat University, celebrated Ganesh Chaturthi with great devotion and joy from 27th August 2025. The festivities began with the Sthapna of Lord Ganesha's idol, followed by Pooja and Aarti, bringing together students, faculty, and staff in a spirit of unity. Daily Aartis, Prasad distribution, and a soulful Bhajan Sandhya led by Dr. J.J. Vora added spiritual vibrance to the occasion.

The celebration concluded with a grand Maha Aarti and the Visarjan ceremony, where participants bid farewell to Lord Ganesha with devotion and the promise to welcome Him again next year. The event beautifully combined tradition, faith, and togetherness, enriching the cultural fabric of the university.

HIGHLIGHTS OF ACADEMIC, CULTURAL, AND AWARENESS PROGRAMS *ORGANIZED BY THE DEPARTMENT OF CHEMISTRY*

WOMAN WELLNESS AND AWARENESS ON CERVICAL CANCER

The Department of Chemistry, Gujarat University, organized an invited lecture on Women's Wellness and Cervical Cancer Awareness at the PDU Auditorium, New Chemistry Building. The session, chaired by Dr. Anjana Chauhan, was attended by the Director, School of Sciences, medical officers, faculty, and students.

The lecture emphasized the causes, preventive measures, and importance of screening, vaccination, and lifestyle changes for cervical cancer prevention. Dr. Meenu Saraf, Director, also addressed the audience, encouraging participation in women's health campaigns. Informative pamphlets were circulated, and students expressed the need for more such awareness programs.

TREE PLANTATION DRIVE & CREATIVE SUSTAINABILITY INITIATIVE

The Department of Chemistry, School of Science, Gujarat University, organized a Tree Plantation Drive on 26th September 2025 in the department garden to promote sustainability and environmental awareness. As part of the initiative, a creative competition was held where waste solvent barrels were transformed into colorful, eco-friendly pots.

With the support of Prof. Nainesh Modi (Department of Botany) and Mr. Ashok Chavda (Hostel Garden Unit), a total of 70 medicinal plants were planted using organic compost prepared from hostel garden waste. The event witnessed enthusiastic participation from students, faculty, and staff, reflecting the university's commitment to green practices and innovative recycling.

CAMPUS TO CORPORATE SEMINAR

The Department of Chemistry, School of Science, Gujarat University, in collaboration with the Gujarat University Placement Cell (GUPC), organized a two-day "Campus to Corporate Seminar" on 19th-20th September 2025. Around 150 Semester-3 students attended sessions by industry and academic experts, covering soft skills, resume building, interview preparation, group discussions, and personality development. The seminar was highly interactive, blending theory with real-life insights, and concluded with certificate distribution by GUPC.

WITNESSING HISTORY NISAR SATELLITE LAUNCH

30th July 2025

The NASA-ISRO Synthetic Aperture Radar (NISAR), the first joint satellite mission of ISRO and NASA, was successfully launched by ISRO's GSLV-F16 on 30th July 2025 at 5:40 PM from the Satish Dhawan Space Centre (SDSC SHAR), Sriharikota. The Department of Physics at Gujarat University arranged a live streaming of the launch in the Seminar Hall, attended by around 70 M.Sc. students from Semesters I and III, along with faculty members.

Students were highly inspired to witness this historic joint venture between ISRO and NASA. Faculty and students congratulated NASA, ISRO, and all Indians on this remarkable achievement. A media representative from Doordarshan also covered the event, highlighting the participation of Gujarat University students and featuring interviews with a student and a faculty member.

ZANDA YATRA

13th August 2025

The Department of Physics encouraged its students to participate in the Zanda Yatra on 13th August 2025. Students and faculty members from the department actively took part in the event, showcasing their enthusiasm and community spirit. Some photographs from the event are attached below.

PROJECT DEMONSTRATION & GUIDANCE SESSION FOR STUDENTS

The Departments of Physics, Electronics & Space Sciences, Gujarat University, Ahmedabad, in association with the Indian Association of Physics Teachers (IAPT), organized a Project Demonstration and Orientation on 6th August 2025 from 2:30 to 5:30 PM. Over 40 innovative and research-based projects were showcased by students, while more than 100 students and teachers from various institutes, colleges, and departments visited to gain insights and guidance on project preparation and reporting.

The event was supported and guided by Prof. R.B. Jotania, Head of the Department of Physics, along with teaching faculty, administrative staff, and research scholars. PG students actively participated both as demonstrators and volunteers, ensuring a smooth and engaging experience for visitors. Feedback collected indicated that the activity greatly motivated students and provided valuable exposure to practical and scientific experimentation.
